Since 1947, Youth of the Year has been Boys & Girls Clubs of America's premier recognition program, celebrating the extraordinary achievements of Club members. Each year, we award Youth of the Year to Club an exceptional members(s). This Club member puts together an essay, presents to a panel of judges, and receives the element of surprise at this luncheon.

Following this local Youth of the Year celebration event, our Youth of the Year competes at the state level and has an opportunity to advance to the regional and national competition.
